Reflex Nutrition's pharmaceutical grade
Omega 3 oil is derived from edible fish that
do not originate from endangered species.
To guarantee purity the fish oil is screened for
pesticides, PCB's and heavy metals.

Reflex Omega 3 oil provides a balanced
concentration of EPA & DHA. These fatty
acids support the cardiac system, nervous
system, brain and eyes.

All Reflex Nutrition products are made in
accordance with ISO9001 procedures in our
state of the art factory here in the U.K.
